

# Drink in Deep

## Verses

**Am**                      **Em**  
Holy Spirit come Holy Spirit Stay  
**F**                                      **G**  
I need to feel your fire I need to feel your gaze 2x

**Am**                      **Em**  
Wont you come breathe over me  
**F**                                      **G**  
Wont you come breathe over me

## Choruses

**F**                                      **G**  
Just one drink becomes a river  
**F**                                      **G**  
Just one drink becomes a flood 2x  
**F**                                      **G**  
Drink in Deep Drink in Deep

**F**  
Open the Flood Gates  
**G**  
Open the Flood Gates

**F**                                      **G**
